The Meeting of the French Society of Parasitology, the German Society of Parasitology and the Swiss Society of Tropical Medicine and Parasitology is the 1st Three Countries Joint meeting. The meeting proposes a multidisciplinary approach to discuss the latest results on physiopathology and treatment of diseases caused by intracellular parasites of medical and veterinary importance such as malaria, toxoplasmosis, neosporosis, theileriasis, eimeriosis, leishmaniasis and trichinellosis. In addition, other aspects related to other parasitic diseases such as echinococcosis will also be discussed.

The program will include oral communications, posters and keynotes lectures from outstanding European and American speakers.

ACCOMMODATION and SOCIAL ACTIVITIES

Hotel rooms

There will be a hotel reservation form proposed by CLP and we have already booked a few of them (200) and also low cost accommodation for students (20€ per day)

Wine tasting (free) and get-together party on Wednesday night from 8h00 PM until 10h30 PM at the Musée d'Art Moderne de Strasbourg

Closing banquet (50 €) will be held at 9PM at Kammerzell house (for 200 persons) nearby the cathedral (20 m away) and we will probably have a classical concert at the cathedral just before

No pre- and post-congress tours organized by us and no activities for accompanying person will be organized by us because Strasbourg is already a very touristic town, the congress is down-town in heart of the city and it is of course pretty easy and secure to travel in the region.
